Parish Register of Ntra. Sra. de la Soledad
Camagüey, Cuba

Marriages 1840-1852

This register was started in the Oct 89 issue, and it is the continuation of books 5 through 8. The registers of Soledad consist of two volumes, each containing four books, and comprasing the years 1703 to 1852.

The CGS computerized list which follows is a copy of the hand written notes taken in the 1940's and 1950's by friends and associates of Francisco Xavier de Santa Cruz.

The information contained in the following list is self-explanatory for the most part. The surname and given name are found first, followed by the sex of the individual, the date of the marriage, a letter indicating whether the individual listed is the one being married (M), or is associated genealogically (G), a letter which follows the names of parent or other spouses. The reference numbers finish out the line. The numbers at the very end refer to the page and entry number of the original transcriptions. These are helpful in looking at all the individuals indentified in a given entry and may also be used for further reference in correspondence with CGS, if you wish to get a copy of the transcript.

PARISH REGISTER OF THE CATHEDRAL OF MATANZAS

MATANZAS, CUBA

MARRIAGES 1795-1835

These computerized list of marriages in the Cathedral of Matanzas is a copy of the transcriptions made by hand by friends and associates of Francisco Xavier de Santa Cruz. It is only a partial record and contains only certain families which were being studied at the time, comprasing the years 1795 to 1835.

The information contained in the following list is self-explanatory for the most part. The surname and given name are found first, followed by the sex of the individual, the date of the marriage, a column indicating whether the individual listed is the one being married (M), or is associated genealogically (G), which usually indicates parents or others spouses. The reference number finish out the line. The numbers at the very end refer to the page and entry number of the original trancriptions. These are helpful in looking at all individuals identified in a given entry and may also be used for further reference in correspondence with CGS or in using the manuscripts found at the Hialeah Family History Library.

SOCIETY NOTES

EDITOR'S NOTE:

David Masnata, Marque of Santa Ana and Santa Maria, was born in Habana in 1926. He was the grandson of Gonzalo de Quesada, an associate of the Cuban revolutionary hero José Martí. He was the great grandson of Ramon L. Miranda, the physician for the José Martí family.

Mr. Masnata was founder and first secretary of the Instituto Cubano de Genealogía y Heraldica. He practiced law in Cuba, Spain and the U.S. after he fled Cuba in 1961, where he had to leave his collection of books and his archive of Cuban and Spanish history, genealogy and heraldry.

Mr. Masnata died in New York in 1988, at which time he donated a collection of 3,000 books to the Otto G. Richter Library of the University of Miami, Coral Gables, Florida. In addition to the books, he also donated his personal papers comprising documents, correspondence, photos, personal memoirs and genealogy charts.

A copy of the titles to this collection has been given to CGS by Esperanza B. de Varona, Assistant Head of the Archives/Special Collections Dept. at the Richter Library.

We are excited to have this information available to the Society and its members.

QUERIES

#15. Mayra Johnson, 3003 Alpine Mdns. Dr., West Valley City, Ut 84120, would like to correnponde with anyone who has information on the following names : Ruiz de Ugarrio or Ugarrio, from Habana, Habana; Rodriguez, from Bejucal, Habana. She knows that a great grand-uncle, Ruiz de Ugarrio, came to the U.S. and established himself in Washington D.C. at the begining of the century.

#16. Silvia Rubio, 8441 Millrace Place, Ca. 91352, writes: My grand-father came to Key West, Fla. from Cuba in 1899. In the 1900's census he was listed with his family. Other relatives arrived in 1883-1889. What is available in way of passenger lists?

ANSWER: In the Family History Library of Salt Lake City there are films of documets and list of cubans that entered the U.S. via Key West. These films are in the U.S./Canada section and the numbers I know of are the following: 1433626, 1433627, 1433628, 1433629.

There might be more films, since I was checking on a specific time period when I found these films and may not have copied all of the numbers.

Mayra F. Sanchez-Johnson.
