EDITOR'S LETTER

The past few months we have experienced a big increase in our membership, each one of which we appreciate for their love for their Cuban ancestors.

Through the diligence of Andrés Castellanos, our New York correspondent, we received one membership that has brought a great deal of satisfaction and joy to the society, that of Levy Marrero, one of Cuba's greatest historian living in exile. He is the author of numerous books on Cuban history, his latest work was titled Cuba: Economía y Sociedad.

During the preparation of his new work, Cuba: Isla Abierta, Levi Marrero used the registers published in REVISTA to make a study of the surnames in the different parts of Cuba. In his own words: "REVISTA has been very useful to me, since it has allowed me to locate the presence of some surnames which I did not have in my list. I believe that the work of REVISTA is a valuable one, and I wish to contribute with a subscription..".

We feel honored to have among our members such an illustrious member of the Cuban community in exile.

**Parish Register of the Cathedral
of Camagüey, Camagüey, Cuba**

**Marriages 1856 to 1874
(continuation)**

The transcriptions from the Cathedral of Camagüey, Camagüey, are of selected families that were being studied at the time by Francisco Xavier de Santa Cruz and his associates. The extractions cover the years 1856 to 1874 included in Volume 9 of marriages.

This is the last part of this listing for the Cathedral of Camagüey. Volumes 1 to 8 have been published in previous issues of REVISTA. Please refer to the index for each publication.

The information contained in the following listing has the same format as previously used. To recap: The surname and given name are found first, followed by the sex of the individual, the date of the marriage, a letter indicating whether the individual listed is the one being married (M), or is associated genealogically (G); this G follows the names of parents or other spouses and witnesses, if any. The numbers at the very end refer to the page and entry number of the original transcription. These are helpful in looking at the individuals identified in a given entry and may also be used for further reference in corresponding with CGS to get a printout of the entry as it appears in the original transcription.

SOCIETY NOTES:

1.

I am seeking any information on my great-grandmother, **CATALINA MOLINA**, who married **JOSE SARACHAGA** (b. Manzanares, Spain; d. before 1900 in Havana), and was the mother of my grandfather **IGNACIO SARACHAGA Y MOLINA** (b. 1855) and **ISABEL MARIA SARACHAGA Y MOLINA**.

IGNACIO SARACHAGA married **SERAFINA GALVEZ Y DEL MONTE**. He died in 1900. **ISABEL MARIA SARACHAGA** married **EMILIO ALFONSO Y ESPADA** in 1863 and died before 1887.

If you have any information please contact Ruth Sarachaga Rossin, 6088 Tierra Entrada, No. Fort Myers, Florida 33903

Looking for family! My great-great-great grandfather, **MANUEL ANTONIO COSTALES** came to Cuba from Spain in the late 1700s or early 1800s. We believe a brother or male cousin might have accompanied him. Together they introduced the Costales name in Cuba. **MANUEL COSTALES** was a lawyer and married a wealthy woman, **ACTURIAS MANUELA GOVANTES**. They had at least five children: Manuel, 1815-1866 also a lawyer; Jose, 1812-1864, manager of a sugar plantation; Luis, a doctor; Bernardo, a college professor; Agustina, who married a man named Martínez.

JOSE COSTALES Y GOVANTES was my great-great grandfather and emigrated to New York in 1863. We believe the rest of the family remained in Cuba. If the same **COSTALES** appears in your family history, we are related. Please let me hear from you. Dennis Keegan, 1516 Mesa Avenue, Colorado Springs, CO 80906. Tel: (719) 473-0122.
